Submitted to Government in the Agriculture and Forests Department, Bombay with reference to their endorsement No.FD 1256/60236-E of 14-6-1956.

2. For the reasons stated by the Divisional Forest Officer in his No.C/11/VI/16/1156 of 26-8-56 and in view of the fact that these is sufficient area available for grazing to the village cattle, there is no objection to disforest the area in question.

3. The No.of Government Notification quoted in paragraph 3 of the Conservator's letter is incorrect. The correct No. appears to be 4542-A of 20-8-1895 as indicated at page 49-A of the case papers. No.22/10/1887 of 1956-57.
Belgaum, 10 September, 1956.

Submitted to the Chief Conservator of Forests, B.S.Poona, with reference to his No.17/D/SG/A/2491 of 25-6-56.

2. The D.F.O. has reported that the disforestment of the area will not lead to honey combing of the forest or create awkward boundaries. But from the sketch at page 185 it can be seen that the disforestment will, to some extent, create awkward boundaries of the forest. The D.F.O. has not reported about the grazing position of the village. But from case papers at page 171 it is seen that the same is as under:-

The grazing area available in the village.			No. of cattle
A.	G.	As.	
86	- 15	- 0	123

Forest pasture in charge of R.D.	29-0-0

3. The correct No. of Government notification under which the lands were declared as reserved is 4542A of

(14)

17-6-55.

4. The area is recommended for disforestment for the purpose of gaontham for the reasons reported by the D.F.O. in his para 2 above.
